**TO THE TEACHER**

This folder contains all the reports necessary regarding the deportment, attendance and progress of the pupil. At the close of each examination, fill the blanks neatly and accurately. Send the folder to parents regularly and see that it is returned promptly, bearing the proper signature.

Make all entries with pen and ink, carefully avoiding all erasures. The manner in which these reports are made will indicate the general character of your work.

The monthly grades should be the average of the pupil's class work and such oral or written examination tests as you may have. Be just in your markings.

Markings: For exact grading, use figures; for approximate grading, use the following letters: E (Excellent), 95 to 100; G (Good), 85 to 95; F (Fair), 75 to 85; U (Unsatisfactory), 60 to 75; P. (Poor), below 60.

**TO THE PARENTS OR GUARDIAN**

That the objects for which our Public Schools were established may be realized, the teacher and parent must cooperate with each other in securing the interest, regular attendance, excellent deportment and the proper effort of the pupil. The necessary results are rarely secured if this cooperation does not exist.

These reports should be carefully considered, as they show a complete summary of the pupil's work. Should you at any time observe anything of an unsatisfactory character in these reports or elsewhere, please call upon and consult with the teacher at once. You will thus aid in removing all cause of every difficulty, and the pupil's welfare will be promoted.
