My Dear Thomas,

I think it is about time to write you a few lines. Hoping to find all of you well which we enjoy at present. Well, Tommy I know you will be angry to me, but pleas excuse. I want to tell you that I had a pleasant trip & got home at 2:15 p.m. The company sent a man from the office for me, so all is back to work again except those that was arrested. The company refused to take those back, but 7 men on the appealing committee went to the superintendent's office to day & demanded they be taken back which the agreed to do, and said all working in the yard could go home any time the finished so we go home at 12, 1, and 2 p.m.. How about that? Just think of it the do just about half the work the were doing before the strike & getting from \$400 to \$800 more aweek. You can see we are getting them, Say Thomas you did not mention how much hops if any. In closing, I hope Mrs. Henry, Joseph, and baby Mary is very well & kindly remember me to Mr. Carney. I hope his hops is still strong. So good bye,

Believe me, yours very

sincerely

James Haran
