all right. I will be going about the eighteen of April. I will write again and let you know when I am leaving home. Well Thomas[,] Wat is at home and looks well[,] your father and Mother is in good health. Jonnie Ginty is going to America. I suppose you heard that his Mother is married he got his passage a few days ago from her. I have no more to say this time. From Micheal Murtagh to Tommy Henry

The image shows two pages of a handwritten letter. The left page contains the beginning of the letter, and the right page contains the rest. The handwriting is in cursive and somewhat faded. The text is as follows:
